Activity report

Year – 2018-19

Activities in 2018-2019

Year 2018 was pivotal for Bengal Cancer Foundation charitable trust. Since inception of BCF in 2012, this trust was mostly involved in awareness programs & supportive care. There is a need to have full-fledged oncology facility with all allied specialties and expertise. Most of the patients those need support are from small cities and towns. These patients need to travel to metro cities or to south India for cancer treatment. Patients from these small towns have less self-esteem, they get lost when they travel to metro cities and are prone to be cheated by touts and thugs. They are financially also marginalized. They need maximum support. There is a need to have facilities in these smaller cities.

Trustees decided to plan a full-fledged cancer facility at Burdwan, a small town in West Bengal and native place of our Chairman.

Bengal Cancer Foundation made an MOU with a 160 bedded multi-specialty hospital at Burdwan, 'BIMS Hospital' at Renaissance Township, Nababhat, Burdwan. BCF will take responsibility of cancer facility. BCF shifted their office to Burdwan, and made their office space, OPD facility, day-care chemotherapy, oncology pharmacy and supportive care. It took few months to set up the facility. Then, staffs recruitment done, hostel facility for nurses and male staffs arranged inside the township. Mr Mohammad Ali joined as the in-charge of the facility. We started OPD facility and day-care chemotherapy.

Bengal Cancer Foundation got approval for 80G and 12AA certificate. Some support in the form of donation started pouring in, and lot of support in the form of helping hand started coming in. Bengal Cancer Foundation from a small patient support group started to grow as a patient treatment facility.

Trustees have a vision to have few full-fledged cancer facility at Burdwan, Midnapore and Siliguri – three major two tier cities in West Bengal.

Facility at Burdwan in collaboration with BIMS hospital is named as BIMS-BCF Cancer Centre.

Mission of Bengal Cancer Foundation is modified:

- Create cancer treatment facility at two tier cities in West Bengal
- Spreading Awareness about Cancer, initiating steps for early detection & helping people who are already suffering from this disease.
- Creating awareness about the types of cancer, treatment & prevention with focus on diet & lifestyle
- Provide treatment plan and opinion from eminent oncologist.
- Psychological assistance in dealing with cancer during treatment & post treatment.
- Conducting detection camps where in complete medical body checkup to detect cancer people who are diagnosed with cancer are giving & medical assistance hospitals or their homes to give emotional support.
- Rehabilitation support & early detection by screening test

'Doctor's day celebration' on 30th June 2018 at Sinclair Hotel, Burdwan

Bengal Cancer Foundation & BIMS-BCF Cancer Centre
cordially invite you and your family for the celebration of
'Doctors Day'
on 30th June, Saturday, 2018
at Sinclairs Hotel, Renaissance Township, NH 2, Burdwan

Not angels have wings, some have stethoscopes. And they are called doctors. They are joy spreaders. 'Happy Doctor's Day' to the most wonderful doctors we know. It's Doctor's day and we want to prescribe you a life full of smiles. For it's just because of your smiles that everyone's worries are driven away. You are the incarnation of God for others. 'Doctor's day' is to celebrate the dedication and hard work done by doctors throughout their life. They go sleepless to help the needy. They have no Sundays, no holidays and yet are ready to do serve mankind always. How much more can a person give? And yet he keeps on giving more and more. Being a doctor is not a profession, it's a passion. They are fearless in the pursuit of what sets their soul on fire. I feel everyday in the life of a physician is worthy of recognition.

But please don't forget that behind every great and dedicated doctor is a sacrificing spouse. The person who gets no recognition and always stays behind the curtains. They take care of the family when their husbands/wives are busy with their duties. Most of the time kids see their 'doctor' paper only when he is back from work late at night and asleep!!! And how can we forget 'doctor's-mothers' as well. Their dedication, sacrifice goes unnoticed by all of us. So let's all join our hands together to celebrate with music, drama and fun, the dedication of doctors and their families on the eve of 'Doctors day'. We are privileged to have amongst us the most reputed doctors from South India to be a part of the celebration. We are extremely humbled and honoured to invite doctors with their spouses to grace the occasion.

Program Schedule:

- Date:** 30th June, Saturday, 2018, 7.00 pm onwards

Basic training program for registered medical practitioners

Bengal Cancer Foundation have initiated a basic training program for Registered Medical Practitioners (RMPs) practicing in rural areas in Burdwan. They will be given basic information regarding palliative and supportive care. They will be trained to manage early oncology supportive services, such as hydration, pain care, nausea and vomiting management. They will mostly support home-based hospice care for terminally ill cancer patients in rural areas of Bengal.

Retired military nursing officer, Ms Mumnum Baroi, Ms Mousumi Dutta and Dr Debnarayan Dutta with Dr Karthikeyan will provide them the required information and training.

The program is a voluntary service with no fees from the RMPs. It is once a month training program for these 'bare-foot' doctors providing basic services in the interior villages of Bengal.
